### **JOB DESCRIPTION: PIZZA CHEF**

Sale Pepe Pizzeria is looking for an experienced Pizza Chef to join this great team of Italian guys there are passionate about pizza and traditional Italian food. This is a great opportunity to come on board with a fantastic position in this business that has now been running for almost 7 years and has been tailored to create a good work environment & good experience for the customer, we constantly invest our time and money to improve our business and our concept, in fact we are now partnering with 7th Day Brewery which is Northern Beaches newest, and fastest growing microbrewery providing them our fantastic food and sharing beer with the community.

As a Pizza Chef you are required to produce to the standard and beyond our company standard of pizzas on a consistent basis also maintaining a high level of personal and kitchen hygiene and safety that adhere to our health and safety standards as well, along with duties and responsibilities listed below.

### **MAIN DUTIES & RESPONSABILITY FOR THIS ROLE:**

- **Role:** Key person responsibility for pizza section operation
- **Presentation:** Ensure high standard of presentation, hygiene, safety and customer experience
- **General behaviour:** Always have a positive behaviour, and great attitude that are benefit for the business environment and yourself too. Be polite and professional in front of any situation either with colleagues and customers. Promote team working environment
- **General cleaning:** Cool room, store room, fridges, benches, appliances, floor and all things related to your job
- **Stock & Food Ordering:** Looking after all the orders and issues related to them, such as delivery time, date and missing product, deal with the companies or sales person directly.
- **Initiatives:** Use all your Initiatives that can be a benefit for the business. Bring new ideas and feedback. Keep the food specials fresh and interesting.
- **Wastage:** Minimise wastage, keep a record of it and communicate it to management
- **Punctuality:** Be early is to be on time, be on time is to be late, be late is unexpected.
